

# Height-adjustable work platform – access options

## - 40060025

Work safely at heights.

### Product description

- Choose between a fixed ladder, a push-up ladder and stairs. All access options can be adapted in height to allow users to climb up to the platform effortlessly.
- The clearance of up to 4,000 mm allows you to reach great heights.

### Hints and special features

If the existing modular system does not meet your requirements, we can also offer you customised solutions tailored to your needs.

Standard applied: DIN EN ISO 14122.
