

Megastep S - 41147

The strongest of all our ladders: high load capacity and modern design for the most exacting requirements.

Product description

- The strongest of all our ladders: high load capacity and modern design for the most exacting requirements.
- Platform that allows personnel to stand safely and comfortably even when working for extended periods.
- Practical tray with plenty of space for tools and small items.
- Max. load 250 kg.
- Wide aluminium alloy rungs, 60 mm deep, with non-slip ribbing.
- Black, wear-resistant anodised stiles.
- Large standing platform (250 x 250 mm) made from extruded aluminium sections for safe and comfortable standing even when working for long periods.
- Practical aluminium storage tray for small items and tools.
- High-strength perlon belts prevent splay.
- Replaceable 2-component plastic end caps ensure positioning without risk of slipping and at the same time provide firm seating in the stile.

Hints and special features

Complies with EN 131 Professional.

Product features
