

Saferstep S

Comfortable and safe ascent with high non-slip performance thanks to Safer Step Technology and robust, stable construction.

Product description

- Comfortable and safe ascent with high non-slip performance thanks to Safer Step Technology and robust, stable construction.
- · Large platform that allows personnel to stand safely and comfortably even when working for extended periods.
- Practical tray with plenty of space for tools and small items.
- Tread with ZARGES Safer Step Technology, 80 mm deep.
- Abrasion-resistant, anodised stiles.
- · Practical aluminium storage tray for small items and tools.
- Platform made from extruded aluminium (300 mm x 250 mm) for safe and comfortable standing even when working for longer periods of time.
- High-strength Perlon belts prevent splay, fitted on all models of 5 rungs or more.
- Maximum working heights thanks to 280mm high access.
- · Replaceable 2-component plastic end caps ensure positioning without risk of slipping and at the same time provide firm seating in the stile.

Hints and special features

Complies with EN 131 Professional.
