DATA SHEET

K 470 Universal Box, Splash-Proof - 31020137

Missing translation

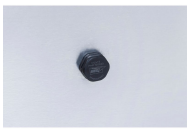

PRODUCT DESCRIPTION

- 22 standard sizes of the K 470 are available from stock in IP65. The three variants with lengths of 1,400 mm or more also offer enhanced protection thanks to an optimized seal and pressure-equalizing valve, but do not fully meet the requirements of protection class IP65.
- Also available with approval for the transportation of hazardous goods.
- Splash-proof thanks to a foamed silicone gasket molded into the lid.
- Extra thick 1.5-mm sheet metal for all K 470 containers from basic dimensions of 750 x 550 mm.
- Automatic pressure-equalizing diaphragm.
- Available for most K 470 models.

HINTS AND SPECIAL FEATURES

UN approval for the transportation of hazardous goods possible at additional charge.
Clearance measurement approx. 30mm (1.2") less than internal dimension (length and width). Special sizes on request.

PRODUCT FEATURES
