

## AMA P - 40262

The modular solution for flexible or stationary application: extendible from a step stool to a complete work platform in various heights.

## **Product description**

- The modular solution for flexible or stationary application: extendible from a step stool to a complete work platform in various heights.
- Modular design for changing or expanding configurations at any time – as mobile or stationary walkways.
- · Lightweight for quick and easy handling.
- Extremely robust, torsion-resistant, corrosion-proof aluminium alloy structure.
- Two-step basic module with up to three add-on steps, suitable for mobile applications.
- Wide range of accessories for stationary or mobile applications.
- · Add-on modules in four different heights.
- Comfortable, safe steps (555 x 250 mm) made from serrated aluminium sheet.

## Hints and special features

Complies with EN 14 183

## **Product features**

Coating Connection Stile-Rung Load capacity Material Module combination
