

Megastep S - 41148

The strongest of all our ladders: high load capacity and modern design for the most exacting requirements.

Product description

- The strongest of all our ladders: high load capacity and modern design for the most exacting requirements.
- Platform that allows personnel to stand safely and comfortably even when working for extended periods.
- Practical tray with plenty of space for tools and small items.
- Max. load 250 kg.
- Wide aluminium alloy rungs, 60 mm deep, with non-slip ribbing.
- Black, wear-resistant anodised stiles.
- Large standing platform (250 x 250 mm) made from extruded aluminium sections for safe and comfortable standing even when working for long periods.
- Practical aluminium storage tray for small items and tools.
- High-strength perlon belts prevent splay.
- Replaceable 2-component plastic end caps ensure positioning without risk of slipping and at the same time provide firm seating in the stile.

Hints and special features

Complies with EN 131 Professional.
