

ZAP Masterflex Plus S - 41156

The ultimate premium model delivers maximised working height and enhanced safety features, ideal for situations that previously demanded complex scaffolding constructions.

Product description

- The large platform with sturdy, all-round guardrail and automatic safety saloon door ensures optimal safety and allows users to work 360° at various heights with both hands free for the actual task.
- Perfect work organisation with large, well-designed tool tray
- Can be set up quickly and easily anywhere thanks to one-handed height adjustment and user-friendly stabilisers – even on stairs.
- It offers the greatest working height in its class at up to 5 m.
- Convenient and safe access via 60-mm-width treads.
- Large off-road wheels allow the product to be easily shifted even when fully assembled.
- High stability thanks to intelligent stabilisers.
