

# ZAP Masterflex S - 41218

The practical platform ladder is designed for use at different heights and in hard-to-reach places, offering quick and easy handling.

## Product description

- The large platform with solid, all-round guardrail and safety barrier door ensures optimal safety and allows users to work 360° at various heights with both hands free for the actual task.
- Perfect work organisation with large, well-designed tool tray
- Can be set up quickly and easily anywhere thanks to one-handed height adjustment and user-friendly stabilisers – even on stairs.
- Working heights of up to 4.30 m
- Large off-road wheels allow the product to be easily shifted even when fully assembled.
- High stability thanks to intelligent stabilisers.

## Hints and special features

EN 131-7
