

# Comfortstep Trec LH -

## 41415

For easy travel backwards and forwards along your shelving: The solution with guide rails and self-locking sprung castors is individually height-adjustable.

### Product description

- For easy travel backwards and forwards along your shelving: The solution with guide rails and self-locking sprung castors is individually height-adjustable.
- Both the top of the ladder and the self-locking sprung castors at the bottom lock the shelf ladder when weight is applied.
- When not in use, the ladder can be stowed vertically on the shelf to save space.

### Hints and special features

When ordering, please specify the vertical measurement from the floor to the top edge of the pipe rail!

Complies with EN 131 Professional.

### Product features
