

Comfortstep S - 41422

Protection for your shins: high degree of comfort while working through padded treads.

Product description

- Protection for your shins: high degree of comfort while working through padded treads.
- Deep treads with padded front edge for standing comfort.
- Large platform that allows personnel to stand safely and comfortably even when working for extended periods.
- 80 mm deep treads with padded front edges.
- Abrasion-resistant, anodised stiles.
- Platform made from extruded aluminium (300 mm x 250 mm) for safe and comfortable standing even when working for longer periods of time.
- Practical aluminium storage tray for small items and tools.
- High-strength perlon belts prevent splay.
- Treads with plastic-cushioned front edges.
- Screwed connection between treads and stile.
- Treads and stiles made from extruded aluminium sections.

Hints and special features

Complies with EN 131 Professional.
