

## Comfortstep B - 41437

Padded front edges on the steps protect your shins and make working at heights for extended periods much more comfortable.

### Product description

- Padded front edges on the steps protect your shins and make working at heights for extended periods much more comfortable.
- Deep treads with padded front edge for standing comfort.
- 80 mm deep treads with a padded front edge protect the shins.
- Non-slip two-component ladder feet with a large contact surface.
- Clean hands thanks to wear-resistant anodised stiles.
- High-strength polyester webbing with a sewn-in attachment loop – durable and resistant to wear and tear.
- Durable design for everyday use: extruded aluminum profiles.
- Screwed connection between treads and stile.

### Hints and special features

Maximum comfort due to padded treads.

Complies with EN 131 Professional.

### Product features

Anti splay

Belt strap
