

De-icing platform second step module - 43027

The extension modules for the ZARGES de-icing platform add a second step.

Product description

- The many different ways of combining modules make our de-icing platform exceptionally versatile. You can simply combine several base modules with expansion modules to create the platform you want.
- Easy to construct thanks to its high level of pre-assembly.
- Version with treads and platform made from steel grid.
- The platform height of 3.0 metres allows work to be performed at approx. 4.80 metres.
- Can be combined with the base module (order no. 43025), or a 2 metre extension module (order no. 43026) or 6 m extension module (order no. 43030).
- Standard applied: DIN EN ISO 14112.

Product features

Load capacity	max. 150 kg
Overall span	3091 mm
Platform height	3.000mm -
Platform width	800 mm
Tread width	800 mm

Version

Second step module

Warranty

10 years
