ZARGES

DATA SHEET

De-icing platform expansion module - 43030

Depending on the model, the extension modules for ZARGES de-icing platforms add another 6 or 2 metres to the length of the base platform.

PRODUCT DESCRIPTION

- The many different ways of combining modules make our de-icing platform exceptionally versatile. You can simply combine several base modules with expansion modules to create the platform you want.
- Easy to construct thanks to its high level of pre-assembly.
- Version with treads and platform made from steel grid.
- The platform height of 3.0 metres allows work to be performed at approx. 4.80 metres.
- Use the extension module (Part No. 43030) to extend the base platform (Part No. 43025) by an additional 6 meters. It can also be combined with Part No. 43026 to add another 2 meters.
- Standard applied: DIN EN ISO 14122.

PRODUCT FEATURES

Property	Value
Version	Extension module 6,000 mm
Warranty	10 years
