

## Scana S - 44154

High degree of comfort while working due to abrasion-resistant, anodised stiles and large storage tray.

### Product description

- High degree of comfort while working due to abrasion-resistant, anodised stiles and large storage tray.
- Large platform with anti-slip ribbing.
- Tread depth 80 mm.
- Abrasion-resistant, anodised stiles.
- Practical tray with plenty of space for tools and small items.
- The extruded aluminium sections give the platform optimum stability.
- Two extruded section bridge raisers.

### Hints and special features

Complies with EN 131 Professional.
