

# Aluminium flat pallet with long corner feet - 45185

Hygienic pallet, sturdy and suitable for use on roller conveyors.

## Product description

- Hygienic pallet, sturdy and suitable for use on roller conveyors.
- Frame and longitudinal members made of sealed, heavy-duty, corrosion-resistant aluminium sections.
- Extra-long corner feet (L = 300 mm) combine the advantages of skid undercarriage and corner feet. They are for example suitable for roller conveyors and high bay warehouses.
- Plenty of space to accommodate forklift arms. No full-length skid to get in the way, hence less risk of damage.
- Seams welded watertight.

## Product features
