DATA SHEET

Armex - 47805

Practical features and robust design for daily maintenance work.

PRODUCT DESCRIPTION

- When it comes to work positioning, breathable shoulder, hip, and leg pads that don't dig in, along with the wide waist belt, ensure comfortable work all day long. Sturdy gear loops also help keep the workspace organized, ensuring that the necessary tools are quickly at hand. Armex is a robust and comfortable full body harness compliant with EN361:2002 for work positioning in accordance with EN358:2018, featuring numerous safety enhancements. These include the "Chair in the Air" innovation, an NFC tag, WebAlert, and automatic buckle closures.
- Automatic buckle closures and a wide range of adjustment options for quick donning and an optimal fit.
- Chair In The Air—the unique solution for suspension trauma. Integrated directly into the belt, even an inexperienced person can assume a safe position within just 5 seconds after a fall.
- WebAlert - warns about cracked belts.
- ZmartCheck - provides quick access to security-relevant information.
- Aluminium eyelets sternal, dorsal and ventral - light and robust.
- Use an aluminum ventral ascender in accordance with EN 361 in conjunction with EN 353-1
- Foldable side attachment elements do not get in the way when climbing.
- Breathable, wide back and hip pads, leg pads and shoulder straps are removable - for maximum comfort.
- Robust material loops (20 kg load capacity) and a

lanyard park ensure safe workplace organisation.
- Suitable for people weighing up to 150 kg.
- A fall indicator is located on the lower back of the dorsal attachment point. If the load exceeds 6 kN, a label becomes visible: WARNING. Fall indicator.
- Label field on the product label bag.

HINTS AND SPECIAL FEATURES

Complies with the EN 361 standard.

PRODUCT FEATURES

Property	Value
Attachment point	Sternal attachment point,Dorsal attachment point,Dorsal attachment point
Automatic buckles	Yes
Chair in the Air	Yes
Fabric	Polyester
Fall indicator	Yes
Fastening hardware	Yes
Material of the sternal attachment point	Aluminium
Material: Buckles	Aluminum, steel
Material: Dorsal Attachment Point	Aluminium
Maximum service life	10 J
Maximum user weight	150 kg
NFC tag	Yes
Size	L-XXL

Property	Value
Smart Check	Yes
Standards	EN 361,EN 358
Upholstery	Missing translation
Webové upozornění	Yes
Weight	2.3 kg
