ZARGES

DATA SHEET

AXIC-WP - 47811

Work positioning rope compliant with EN 354:2010 and EN 358:2018, designed for positioning and securing workers at heights. The length of the AXIC-WP can be quickly and easily adjusted using a rope clamp.

PRODUCT DESCRIPTION

- Lanyard for work positioning in accordance with EN 354:2010 and EN 358:2018.
- A continuous adjustment system allows for precise adjustment to the required length and provides a comfortable working position.
- The edge protector protects the rope from wear at rough contact points and makes it easier for the rope to pass through.
- Suitable for people weighing up to 150 kg.
