

# Plug-in end cap - 800242

## Product description

- For Plazatec P, order nos. 41920–41921 and for Plazamax P, order no. 41927.

## Hints and special features

Due to design modifications, it is necessary to note not only the ladder type but also always the outside dimension of the stiles.

## Product features

|                  |         |                     |        |
|------------------|---------|---------------------|--------|
| Stile dimensions | Version | Warranty            | Weight |
| 34 mm × 20 mm    | front   | Missing translation | 0 kg   |
