

Comfortstep Trec LH

For easy travel backwards and forwards along your shelving: The solution with guide rails and self-locking sprung castors is individually height-adjustable.

Product description

- For easy travel backwards and forwards along your shelving: The solution with guide rails and self-locking sprung castors is individually height-adjustable.
- Both the top of the ladder and the self-locking sprung castors at the bottom lock the shelf ladder when weight is applied.
- When not in use, the ladder can be stowed vertically on the shelf to save space.

Hints and special features

When ordering, please specify the vertical measurement from the floor to the top edge of the pipe rail!

Complies with EN 131 Professional.
