

# Variotec V

Multifunctional, extendible ladder suitable for use on stairs, with compact transport dimensions and in sturdy, durable design.

## Product description

- Multifunctional, extendible ladder suitable for use on stairs, with compact transport dimensions and in sturdy, durable design.
- Required working height can be set in increments corresponding to the rung spacing.
- Folds down to a space-saving compact size for transport.
- Functional robust steel hinges, bolted and easy to replace.
- Fitted with fold-out stabilisers to allow the product to be used as a single ladder in compliance with EN131-1.
- The stabilisers can be folded in to save space during transport or when the product is used as a stepladder.
- Stiles made from extruded aluminium sections for maximum stability.
- High strength, non-twist rung/stile connections.

## Hints and special features

Ideal for use on steps/stairs as a result of rung-by-rung height adjustment on both sides.
