

Telescopic combination ladder

Out of the boot and up: miniature format for transport, flexible use as a single ladder and stepladder.

Product description

- When pushed together, the ladder fits into any luggage compartment.
- Can only be used as a single ladder or a stepladder when fully extended.
- Original TELESTEPS with the proven AUTOSTEPS mechanism.
- Wide treads ensure comfort when ascending and descending.
- Abrasion-resistant, anodised stiles.
- New triangular stile for increased stability and resistance to torsion.
- Treads and stiles made from extruded aluminium sections.

Hints and special features

Complies with EN 131-6.
