

ZAP Safemaster Max S

With its extensive features, the new platform ladder sets new standards in safety and comfort, whilst impressing with its swift and intuitive handling. Meets all EN 131-7 criteria

Product description

- The large platform with sturdy, all-round guardrail and automatic safety saloon door ensures optimal safety and allows users to work 360° at various heights with both hands free for the actual task.
- Comfortable and safe access on 60 mm wide treads.
- Perfect work organisation with large, well-designed tool tray
- Large off-road wheels allow the product to be easily shifted even when fully assembled.
- Available in 5 sizes with a maximum working height of 3.70 m.
