

Horaflex

Portable, fast, and flexible EN 795-B 20 m lifeline.

Product description

- Temporary horizontal lifeline EN 795-B – portable, quick to install, and flexible anchor device. Secures up to two users simultaneously over distances of up to 20 m. The two carabiners are attached, for example, using slings to suitable structures such as steel beams or concrete columns. Ideal for temporary use on construction sites or in industrial environments.
- Temporary horizontal lifeline in accordance with EN 795-B.
- ZmartCheck - provides quick access to security-relevant information.
- WebAlert - warns about cracked belts.
- Maximum length 20 m.
- CEN/TS 16415:2013 Type B (2 users).
- Static Strength 18 kN
