DATA SHEET

Catwalks

Modular catwals for safe, ergonomic, and efficient access to elevated machine parts.

PRODUCT DESCRIPTION

- Experience new flexibility and safety when working at height - with the new ZARGES Creaxess catwalks.
- The modular system can be adapted precisely to your structural conditions.
- Slip-resistant coverings (R10 to R13).
- Easy to construct thanks to its high level of pre-assembly.
- Standard applied: DIN EN ISO 14?122.
- Guardrails can be configured as needed: fixed or quickly removable. Meets the highest safety standards for fall prevention.
- Can be moved using transport aid (optional).
- Your platform, your access: up to two entrances, optionally with self-closing doors. For greater comfort and safety.
- Your solution could not be easier: customization at no extra charge, tailored support during the planning phase thanks to the intuitive online configurator. Instant quote including drawings and 3D model—fast, transparent, and straightforward.
- Anti-static version on request

PRODUCT FEATURES
