

# GRP platform ladder - 300810

Constructed from strong and resilient fibreglass, the ZARGES Fibreglass Platform Stepladder is long-lasting and capable of withstanding heavy use. Ideal for use near electrical hazards.

## Product description

- Non-conductive fibreglass stiles ideal for working around electricity.
- Large platform provides secure and comfortable work area.
- Integral tool tray for holding tools and equipment.
- Heavy-duty internal spreaders increase usability and ease of stowage.
- Generous 250mm tread pitch gives excellent working heights.
- Heavy-duty slip-resistant tread profile for added strength and security.
- Heavy-duty bracing at the foot for extra support.

## Hints and special features

Complies with EN 131 Professional.

## Product features
