

## AMA P - 40262

The modular solution for flexible or stationary application: extendible from a step stool to a complete work platform in various heights.

### Product description

- The modular solution for flexible or stationary application: extendible from a step stool to a complete work platform in various heights.
- Modular design for changing or expanding configurations at any time – can be used as a mobile or stationary work platform.
- Lightweight for quick and convenient handling.
- Extremely robust, torsion-resistant, corrosion-proof aluminium alloy structure.
- Two-step basic module with up to three add-on steps suitable for mobile applications.
- Wide range of accessories for stationary or mobile applications.
- Add-on modules in four different heights.
- Comfortable, safe steps (555 × 250 mm) made from serrated aluminium sheet.

### Hints and special features

Complies with EN 14 183

### Product features

Coating	Connection between stiles and rungs/stiles	Load capacity	Material	Module combination
