## Multimaster 5 - 40331

1 ladder, 5 modes: stepladder, stair stepladder, off-set mode single ladder, single ladder and extended single ladder in one.

### Product description

- 1 ladder, 5 modes: stepladder, stair stepladder, off-set mode single ladder, single ladder and extended single ladder in one.
- Quick and easy one-handed switching between modes.
- Two castors on the access section and a handle under the top for easy and ergonomic transport.
- Increased flexibility and versatility from a specially shaped top that can be used on inner and outer corners as well as on masts.
- Top with magnetic compartment for small parts as well as 2 clip holders and central recess for cordless screwdriver or similar tool.
- 80 mm deep treads with ZARGES Safer Step Technology for fatigue-free standing.
- Flexible working and pleasant to handle due to the anodised stiles.

### Hints and special features

Complies with EN 131-4.
