

Everest 3E - 403626

Built for trade and industrial use, the Everest Square-Rung Triple Extension Ladder is made in the UK, EN131 certified, and designed for strength, stability, and safety.

Product description

- Durable, slip-resistant square rungs for secure, comfortable footing.
- Robust, high-performance box-section stiles for maximum strength and stability.
- Secure locking catches keep ladder sections safely locked in position while working or transporting.
- Wrap-around top clips with smooth-glide runners for reduced wear and longer service life.
- Heavy-duty wide stabiliser with slip-resistant feet for maximum safety.
