

# W 171 transport trolley with fold-down section - 40633

Sturdy transport solution with large flap for easy and ergonomic access to the contents of the trolley.

## Product description

- Sturdy transport solution with large flap for easy and ergonomic access to the contents of the trolley.
- End and side walls reinforced with peripheral beading and corner beads.
- Sturdy, generously dimensioned edge and base profile sections, high-strength positive locking ensures permanent bonding to jacket and base metal.
- One long side with fold-down section folding half-way, for more convenient loading and unloading.
- Side cutout with profile-section surround; profile-section joints continuously welded.
- Flap with bolt retainer and moving holding hinges.
- Chassis: 2 swivel and 2 fixed castors, corner-mounted, 125 mm Ø., easy running, rubber wheels, “non-marking,” roller bearings, thread guards.
