

# W 182 transport trolley - 40780

Sturdy aluminium trolley for versatile use.

## Product description

- Stackable trolley for a wide range of applications.
- High stiffness due to end and side walls reinforced with peripheral beading and corner beads.
- Effortless to manoeuvre due to easy-running, non-marking rubber wheels that are mounted on roller bearings and equipped with thread guards.
- Sturdy edge and base profile.
- End and side walls reinforced with peripheral beading and corner beads.
- Stackable.
- Chassis: 2 swivel and 2 fixed castors, Ø 125 mm, 40 mm wide; smooth-running, non-marking rubber wheels with roller bearings and thread guards.

## Hints and special features

Order No. 40661: anodised, with 16 drain holes in centre of floor. Order No. 40780: non-anodised, without drain holes.
