

# Megastep S - 41149

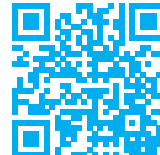

The strongest of all our ladders: high load capacity and modern design for the most exacting requirements.

## Product description

- The strongest of all our ladders: high load capacity and modern design for the most exacting requirements.
- Platform that allows personnel to stand safely and comfortably even when working for extended periods.
- Practical storage tray with plenty of space for tools and small parts.
- Max. load 250 kg.
- Wide aluminium alloy rungs, 60 mm deep, with non-slip ribbing.
- Black, wear-resistant anodised stiles.
- Platform made from aluminium extrusion (250 x 250 mm) for safe and comfortable standing even when working for longer periods of time.
- Practical aluminium storage tray for small items and tools.
- High-strength Perlon straps prevent splay.
- Replaceable two-component plastic end caps that attach securely to the stile and prevent the ladder from slipping.

## Hints and special features

Complies with EN 131 Professional.
