

Nova S - 42458

The classic model for safe standing and comfortable working, with a practical storage tray and high-stability patented rung-stile connection.

Product description

- The classic model for safe standing and comfortable working, with a practical storage tray and high-stability patented rung-stile connection.
- Large standing platform with anti-slip serrated surface.
- Practical storage tray with plenty of space for tools and small parts.
- 80 mm deep surfaces to stand on.
- High-strength Perlon straps prevent splay.
- Stable tread construction: robust, durable, flanged rung-stile connection.
- Optimal platform stability thanks to extruded aluminium sections.
- Two plastic locating guides lock steps together when it's closed.
- Stability through slip-resistant plastic end caps.
- Enclosed rung profile and integrated guide tube.

Hints and special features

Complies with EN 131 Professional.

Product features
