DATA SHEET

De-icing platform expansion module - 43026

The extension modules for ZARGES de-icing platforms add another 2 metres to the length of the base platform.

PRODUCT DESCRIPTION

- The many different ways of combining the various modules make our de-icing platform exceptionally versatile. You can create the platform you want by simply combining several base modules with expansion modules as required.
- Easy to construct thanks to its high level of pre-assembly.
- Version with steel open-grid treads and platform.
- The platform height of 3.0 metres allows work to be performed at approx. 4.80 metres.
- Extend the base module (order no. 43025) by 2 metres with the expansion module order no. 43026. Or combine it with order no. 43030 to add another 6 meters in length.
- Standard applied: DIN EN ISO 14 122.
