DATA SHEET

De-icing platform: Second stair module - 43027

The extension modules for the ZARGES de-icing platform add a second access ladder to the platform.

PRODUCT DESCRIPTION

- The many different ways of combining the various modules make our de-icing platform exceptionally versatile. You can create the platform you want by simply combining several base modules with expansion modules as required.
- Easy to construct thanks to its high level of pre-assembly.
- Version with steel open-grid treads and platform.
- The platform height of 3.0 metres allows work to be performed at approx. 4.80 metres.
- The base module (item no. 43025) can be combined with an additional extension module (item no. 43026) to add 2 meters, or with item no. 43030 to add 6 meters. A second stair module (item no. 43027) is also available.
- Standard applied: DIN EN ISO 14 122.

PRODUCT FEATURES

Property	Value
Load capacity	max. 150 kg
Overall span	3091 mm
Platform height	3.000mm
Platform width	800 mm
Tread width	800 mm

Property	Value
Version	Second stair module
Warranty	10 years
