

# De-icing platform second step module - 43027

The extension modules for the ZARGES de-icing platform add a second step.

## Product description

- The many different ways of combining the various modules make our de-icing platform exceptionally versatile. You can create the platform you want by simply combining several base modules with expansion modules as required.
- Easy to construct thanks to its high level of pre-assembly.
- Version with steel open-grid treads and platform.
- The platform height of 3.0 metres allows work to be performed at approx. 4.80 metres.
- Can be combined with the base module (order no. 43025), the 2-metre extension module (order no. 43026) or the 6-metre extension module (order no. 43030).
- Standard applied: DIN EN ISO 14 122.

## Product features

Load capacity	max. 150 kg
Overall span	3091 mm
Platform height	3.000mm -
Platform width	800 mm
Tread width	800 mm

Version

Second step module

Warranty

10 years
