

Scana S - 44153

High degree of comfort while working due to abrasion-resistant, anodised stiles and large storage tray.

Product description

- High degree of comfort while working due to abrasion-resistant, anodised stiles and large storage tray.
- Large standing platform with anti-slip serrated surface.
- Tread depth 80 mm.
- Wear-resistant, anodised stiles.
- Practical storage tray with plenty of space for tools and small parts.
- Optimal platform stability thanks to extruded aluminium sections.
- Two plastic locating guides lock steps together when it's closed.

Hints and special features

Complies with EN 131 Professional.
