DATA SHEET

Reachmaster® PLUS - 5545106

The Reachmaster® PLUS Tower offers lightweight versatility for both indoor and outdoor applications. Designed with trade professionals in mind, the compact Base Pack ensures easy transportation through standard doorways and corridors. The folding frame features a snap-click mechanism for fast, straightforward assembly - ideal for a one-person setup. The Reachmaster PLUS tower can be extended modularly up to a maximum platform height of 5.8m.

PRODUCT DESCRIPTION

- Heavy-duty but lightweight modular tower system for indoor and outdoor use
- Compact Base Pack fits through standard doors, corridors and into your van
- Snap-click folding base unit for quick and easy set up
- Adjustable platform height
- Swivel locking castors enable tower to be moved easily
- Sturdy platform with built-in trapdoor for easy access to each level
- Can be extended in modules up to a maximum platform height of 5.8 m (sold separately)

HINTS AND SPECIAL FEATURES

NOTE: Adjustable Legs only required if ground is uneven or sloping.
