

Reachmaster® PLUS - 5545137

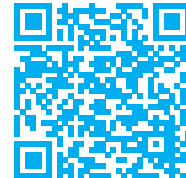

The Reachmaster® PLUS Tower offers lightweight versatility for both indoor and outdoor applications. Designed with trade professionals in mind, the compact Base Pack ensures easy transportation through standard doorways and corridors. The folding frame features a snap-click mechanism for fast, straightforward assembly - ideal for a one-person setup. The Reachmaster PLUS tower can be extended modularly up to a maximum platform height of 5.8m.
