

Aluminium flat pallet with long corner feet

Hygienic pallet, sturdy and suitable for use on roller conveyors.

Product description

- Hygienic pallet, sturdy and suitable for use on roller conveyors.
- Frame and longitudinal members made of sealed, heavy-duty, corrosion-resistant aluminium sections.
- Extra-long corner feet (L = 300 mm) combine the benefits of skid undercarriages and corner feet. For example, they are suitable for use on roller conveyors and in high-bay warehouses.
- There is plenty of space to accommodate forklift arms. No full-length runners to get in the way and hence less risk of damage.
- Seams welded watertight.
