

AFA P

The basic step stool with low weight, high stability and a comfortable standing area.

Product description

- The basic step stool with low weight, high stability and a comfortable standing area.
- High-strength, welded tubular aluminium construction ensures stability and long service life.
- 200 mm deep steps made of non-slip ribbed aluminium plate.
- 350 x 577 mm standing platform braced by a cross-strut.
- Maximum stability thanks to a wide standing surface.
- Stile ends with plastic edge finish.

Hints and special features

Self-locking sprung castors available as an accessory from two steps upwards. Handrail available as an accessory from three steps upwards.

Complies with EN 14 183
