

# Workmaster T

Mobile and comfortable: folding work platform with step access and central brake.

## Product description

- Mobile and comfortable: folding work platform with step access and central brake.
- Swing-up steps with treads 200 mm deep for comfortable and safe ascent.
- Flexible applications due to three different platform heights with just one work platform.
- Folding frame and pivotable steps mean space-saving transport and storage.
- Can be moved very quickly and easily, thanks to four swivel castors on the access section and two fixed castors on the support section.
- Can pass through doors - even when erected.
- Double-sided handrail on the access steps and platform guardrail for maximum work safety.
- Large-area work platform 1,800 x 600 mm.

## Hints and special features

Central brake is locked by stepping on the pedal instead of having to lock all four swivel castors individually.

## Product features
