

# Variomaster T

For quick use and safe standing: folds to compact size and is quickly set up.

## Product description

- For quick use and safe standing: folds to compact size and is quickly set up.
- Height can be effortlessly adjusted by just one person due to the self-locking mechanism similar to a push-up ladder.
- Can be easily folded to a compact size for transport and storage.
- Extendable stabilisers with sturdy height-adjustable foot plates for stability and for levelling out on uneven ground.
- Large-area work platform 0.50 x 1.95 m or 0.60 x 2.50 m.
- Peripheral railing for maximum work safety.
- Simple height adjustment according to the self-locking push-up ladder principle, allowing you to reach different heights with only one work platform.
- Operation of height adjustment by one person.
- Easily collapsible for transport and storage.
- Highly mobile and able to pass through doors when erected and collapsed thanks to rollers (Order No. 53794).
- No ballast weights are required for indoor use.
- Two sizes with height adjustment from 1.25 m to 2.46 m or 1.81 m to 3.58 m platform height.
- Scaffolding category 3 (maximum load of 200 kg/

m<sup>2</sup>) according to DIN EN 1004.

## Product features
