

W 171 transport trolley with fold-down section and beading

Sturdy transport solution with large flap for easy and ergonomic access to the contents of the trolley.

Product description

- Sturdy transport solution with large flap for easy and ergonomic access to the contents of the trolley.
- End and side walls reinforced with peripheral beading and corner beads.
- Sturdy, generously dimensioned edge and base profile sections, high-strength positive locking ensures permanent bonding to jacket and base metal.
- One long side folds down half-way for more convenient loading and unloading.
- Container cutout with profile-section surround; profile-section joints continuously welded.
- Flap with bolt retainer and moving holding hinges.
- Chassis: 2 swivel and 2 fixed castors, corner-mounted, Ø 125 mm; easy-running, non-marking rubber wheels with roller bearings and thread guards.
