

Meistertritt Trec S

Safe standing on very large platform, non-slip ascent and descent thanks to Safer Step Technology.

Product description

- 80 mm deep steps with ZARGES Safer Step Technology for fatigue-free standing.
- Particularly large-surface work platform with ribbed aluminium sheet lining (approx. 380 x 390 mm).
- Practical aluminium storage tray for small items and tools.
- With two handrails as standard for safe access.
- Optimum stability thanks to two high-strength Perlon belts for preventing splay.
- Height of the retaining bracket 1,000 mm.
- Treads and stiles made from extruded aluminium sections.
- Spring loaded castors for ease of movement on back wheels.
- Robust, rigid connection with high level of operator comfort and transportation lock.

Hints and special features

Complies with EN 131 Professional.
