DATA SHEET

MultiMaster 5

1 ladder, 5 modes: stepladder, stair stepladder, off-set mode single ladder, single ladder and extended single ladder in one.

PRODUCT DESCRIPTION

- 1 ladder, 5 modes: stepladder, stair stepladder, off-set mode single ladder, single ladder and extended single ladder in one.
- Quick and easy one-handed switching between modes.
- Two castors on the access section and a handle under the top for easy and ergonomic transport.
- Greater flexibility and versatility thanks to the specially shaped top, which can also be attached to inside and outside corners as well as poles.
- Top with magnetic compartment for small parts as well as 2 clip holders and central recess for cordless screwdriver or similar tool.
- 80 mm deep treads with ZARGES Safer Step Technology.
- Lightweight, sturdy, fast—the anodised entry-level model for occasional use.
