DATA SHEET

Handrail bracket with clamping lever

PRODUCT DESCRIPTION

- For securing handrails and guardrails.
- Our guardrail brackets with a clamping lever provide a quick, secure, and tool-free way to mount guardrails and handrails. Thanks to the built-in clamping lever, the brackets can be easily installed, adjusted, and removed —making them ideal for applications that require frequent assembly and disassembly or use in various locations.
- The sturdy design ensures a strong clamping force and secure fastening, even under heavy loads. High-quality materials ensure durability and reliability.
- The railing bracket with a clamping lever is the perfect solution when safety, flexibility, and efficiency are required.
